Small Business Events

New Jersey Small Business Development Center

September 10th, 17th, or 24th – 9am

The NJ Small Business Development Center (NJSBDC) will be at the Cumberland County One-Stop / Business Resource Center on September 10th, 17th and 24th to conduct workshops on various business start-up topics, and meet with individuals for one-on-one consultations. These events are free of charge, but registration is required.

The NJSBDC can help you:

- Write and critique your business plan
- Prepare a loan package for lenders
- Create a strategic marketing plan.
- Explore your e-commerce potential
- Develop cash flow projections and financial statements
- Open new routes for international trade
- Become a state or federal contractor

OSHA Forklift Certification Course and Testing

Call or email for schedule

Increase the safety of your workplace by registering your Forklift Operators for this 4-hour class. Class will cover the written portion of the OSHA Forklift Safety Course. This service is presented by the NJ Department of Labor and Workforce Development – Occupational Safety and Health Training Unit. Contact the Business Resource Center for testing schedule.

All seminars and workshops are free of charge. Advance registration is required.

To register by phone: 856-696-8607
By fax: 856-690-1480
